

# ICBA ThinkTECH Accelerator

Since 2018, the nationally acclaimed ICBA ThinkTECH Accelerator has connected leading best of breed innovators with thousands of community bankers. Promoting growth stage financial technology solutions designed specifically for community banks and the customers they serve.

Through a proven methodology, the program identifies and supports providers and rapidly validates and refines emerging technologies to meet the evolving needs of the industry.

**Are you ready to innovate and collaborate  
with community banks?**

**Sponsored By:**

**ICBA**  
Innovation

## Our Ideal Candidate

- Companies addressing challenges in deposit acquisition/retention, compliance, fraud, AI, data analytics, commercial lending, and connectivity+ more for community banks.
- Seed through Series A stage companies with a passion for community banking and their retail and commercial customers.
- Full production / active users

## Your ROI (Return on Investment):

- A 10-week hybrid program with access to our Atlanta Innovation office, including face-to-face sessions with Bankers in Residence, SMEs, and fellow cohort members
- Direct collaboration with community bank decision makers to refine your solution
- Exclusive ICBA access to federal regulatory agencies and top core providers during our Regulatory & Core Day sessions
- An exclusive live pitch + networking opportunity at ICBA LIVE, the largest national conference for community banks worldwide
- Tap into ICBA's deep community bank education library to help you gain a deep understanding of community banking with access to a one-year Principles of Banking e-course and more
- A 1-year complimentary ICBA Corporate Membership (a \$5,500 value). With this membership you will get access to ICBA's detailed industry knowledge and insights through newsletters, Independent Banker magazine, and ICBA's membership only website. Plus, a listing in the ICBA Solutions Directory, a one-stop shop for community bankers to research solution providers.
- [Join a community of 70+ alumni](#)
- Get a chance to compete for the Bankers Choice, MVP (Most Valuable Participant), and the All-Heart Awards

[Apply now](#) and truly “accelerate” your company’s growth in the community banking sector.
